Learn the Ten Reasons that affect us all!

Kelly Kimberling, Farmers Insurance

#1 Keeping Our Community Unique

Locally owned businesses are generally "family owned" businesses. They are often a unique type of business with a unique line of products or services. The business owners/managers are involved in the local community activities which serve to keep our community unique. The "small town" feel makes this a great place to raise your family. Where we live, shop and play is the foundation of our community.
